A photograph of three construction workers wearing yellow hard hats and safety vests, standing on a construction site and reviewing a set of blueprints. They are positioned in front of a partially constructed concrete building with blue window frames. The background shows a dirt area and some greenery.

Hi my name is Matthew in  
this presentation i will show  
my dream work

My dream job is in the  
field of construction,  
that's why I go to this  
school because i want  
to be construction  
manager

I chose construction  
because i have been  
interested in  
buildings and  
interiors since i was a  
child

In this field of study, we learn how to deal with health and safety rules and how to deal with this industry in the future. We acquire appropriate qualifications

Thanks for  
attention
